

CUBUS LOUNGE

PRODUCT DATA SHEET

CUBUS LOUNGE

DESIGN: DIETIKER, 2003

Cubus Lounge is the classic solution for waiting areas and entrance halls. Cubus Lounges offer a combination of seating comfort and a versatile design in one high quality solution. The Cubus line is extremely durable and made of the highest quality materials. Its back was designed to offer an outstanding level of comfort without any additional cushions. Available with chromed sled base or round steel.
